Note to customers:

- 1 It is recommended that a Direct Debit be loaded on a Savings Account.
- 2 It is recommended that the customer continues to settle their bills manually until it is specified on their utility bill that account will henceforth be debited. Depending on utility companies, direct debits are normally effective as from 3 months from date of application. Similarly, for cancellation of direct debit, this would be effective after 3 months from date of notice to the utility companies.
- 3 Please attach copies of your last utility bills.
